SOFT SHELL. ONTWERP: TON HAAS.

SOFT SHELL.

De Soft Shell is een fris en eigenwijs ontwerp van Ton Haas. Designkenners herkennen de Europese en organische stijl. Maar behalve zijn opvallende uiterlijk, heeft de Soft Shell nog meer om zich op voor te staan. De Soft Shell is er in verschillende uitvoeringen. Beide modellen zijn onverwoestbaar. Kortom; multi-functioneel, praktisch in gebruik en onderhoud.

Op punten:

- 4 poots met A-frame, armen optioneel
- Comfortabele kuip van polypropyleen
- Kleuren van de kuip: 3 kleuren groen, wit, antraciet en saffraan
- Armleuning (optioneel): integraal PUR-schuim, zwart

Soft Shell is a fresh and saucy design by Ton Haas. Design experts recognize his European, organic style. Apart from its distinct appearance, Softshell has a lot more going for it. Soft Shell is available with and without arm rests. This four legged chair is stackable and can be interlinked, so it is well suited for use in large halls. Of course it also feels at home in conference rooms, offices and company restaurants. If you expect to move Soft Shell around quite often, you shouldn't worry: Softshell is indestructible. In short: it is multifunctional and practical in use and maintenance. As young and attractive as Soft Shell may look, it is old fashioned when it comes to being reliable.
